LUXURY HANDMADE  
CRYSTAL PACKAGING

*In Bohemia Jihlava, we honor and nurture the diligence and tradition with which unique Bohemian crystal is being created since the 17<sup>th</sup> century. To us, the Czech crystal is not only a worldwide phenomenon. It is a symbol of timeless design, great craftsmanship, and above all an immortal part of our heritage. We perceive glass as a living substance, a pure heart interweaving long-term tradition with innovative design and progress.*

*Bohemia Jihlava places the utmost emphasis on quality craftsmanship and tradition. Our masterful craft is always at the forefront, whether it's in the production or design of our products. We take great pride in our heritage and passionately identify with it, which is reflected in everything we do.*

*Alongside our popular collections, we also specialize in crafting custom-made crystal glass pieces tailored to your unique style, wishes and preferences. We help transform your own ideas into handcrafted masterpieces.*

*From the initial stages, our dedicated team works closely with you to fully understand your vision and design preferences. No matter your brand, style, or focus, our advanced technical capabilities are tailored to meet any market requirement. Our skilled artisans ensure that each custom decanter is crafted with exceptional precision and quality. With a range of popular shapes to choose from, personalization is both effortless and efficient.*

*We offer numerous customization options, such as cutting, sandblasting, gilding, multi-color decals, hand painting, and engraving. Every detail, including the packaging, can be customized to align with your brand.*
